

Living the Christian journey

The ABUNDANT LIVING class at Zion Lutheran Church

Providing opportunities for Christian growth wherever you are in life's journey

The ABUNDANT LIVING class is a welcome place for all people. Church membership is not required. We gather together with enthusiasm to grow in our walk with our Lord Jesus Christ and to care for one another and our community.

If you are searching for meaning and purpose in your life, and if you are asking the question "Shouldn't there be more to my life than just this?", then this is the place to come and explore with others the deeper meaning of life.

- If you need hope, come and be among this hope-filled class
- If you suffer, then come and be lifted up
- If you are looking for life-affirming fun, come be a part of this fun-loving group
- If you want a place to help make a difference in the world, come.
- If you desire to know God or know God more fully, come join us in the exciting journey of loving God.

Most of all, we ask God's blessing on you.
